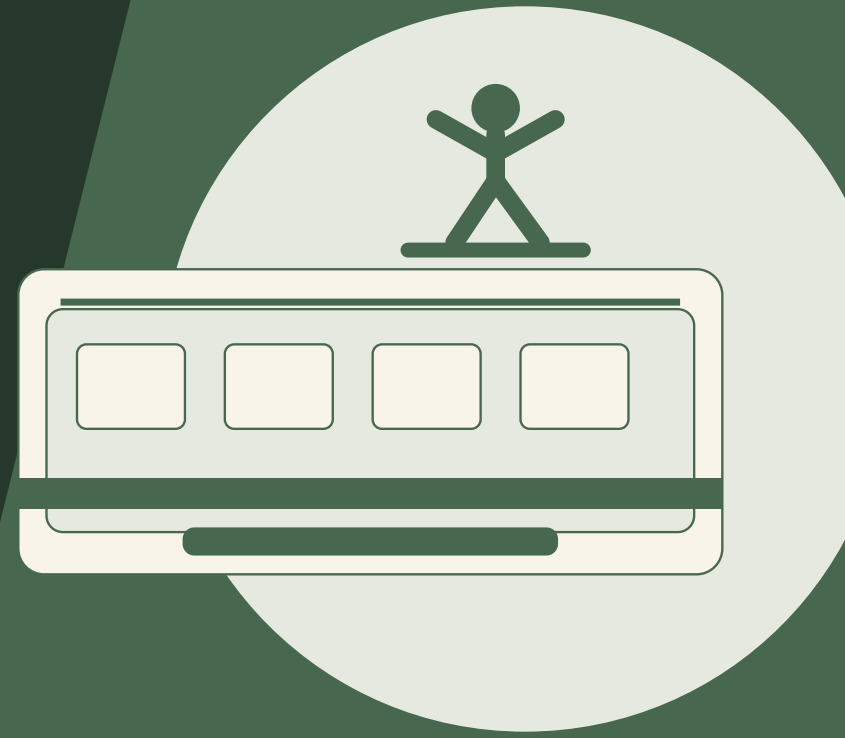
PARTNERSHIP CAMPAIGN PROPOSAL

THE MEET AFTER THE MEET

Ruth’s Diner x Utah Red Rocks Gymnastics

A small, campus-led campaign that turns Red Rocks meet-day energy into a reason to gather at Ruth’s.



PROPOSED CAMPAIGN BUDGET

$1,500 MAX

A campaign concept for partner review

PROPOSED 2027 ACTIVATION | DATES SUBJECT TO PARTNER APPROVAL

THE OPPORTUNITY

A student-friendly campaign built around one meet

One athlete, a short content run, an approved campus activation, and no OOH spend.

THE PITCH

Make Ruth’s the natural next stop after a Red Rocks meet, using an athlete invitation that feels local, simple, and affordable.

Campaign objective: introduce Ruth’s to Utah gymnastics fans and track response through a single offer or QR destination.

4 WEEKS

1 ATHLETE

NO OOH

- **Proposed awareness goal**

  Reach Red Rocks students and fans through approved team and athlete channels.

- **Visit goal**

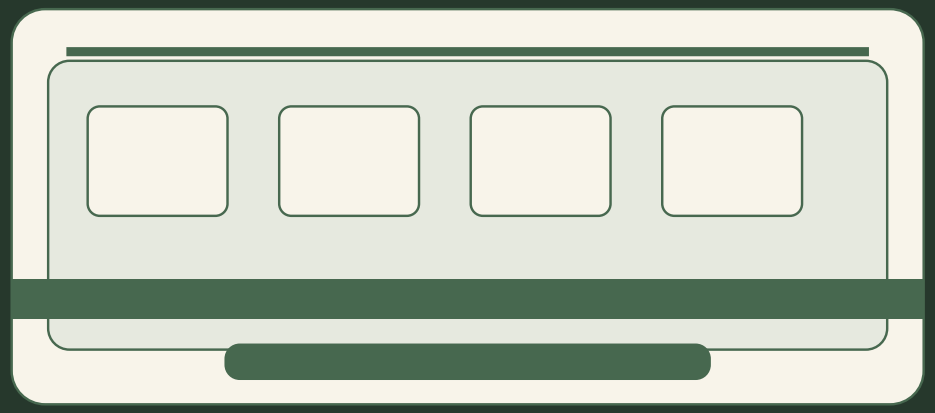
  Turn one meet-week invitation into tagged visits or offer redemptions.

- **Budget guardrail**

  Keep all meal or offer costs at or below $150.

A long-running Salt Lake dining destination

Ruth’s Diner has served Salt Lake since 1930 and is known for its Emigration Canyon setting.



RUTH’S DINER

A local place for fans and friends to keep the day going after the meet.

Offer, menu detail, and reservation capacity confirmed by Ruth’s.

CAMPAIGN ROLE

- **Destination**
  A clear answer to “where should we go after the meet?”
- **Experience**
  One modest offer or giveaway with simple redemption tracking.
- **Local story**
  Connect the team’s sense of community with Ruth’s history.

Fans want to keep the day going together

The campaign focuses on Red Rocks students, families, fans, and alumni.

PROPOSED FAN INSIGHT

“After cheering through the meet, I want an easy place to continue the day with my people.”

AUDIENCE FOCUS

- **Core**
  Utah students and Red Rocks fans near the Huntsman Center.
- **Secondary**
  Families and alumni looking for a local group-dining option.
- **Action**
  Use a Ruth’s-approved offer or QR code to track response.

The Meet After the Meet

Celebrate the people who show up for Utah gymnastics, then invite them to keep the day going at Ruth’s.

BIG IDEA

THE MEET

AFTER THE MEET.

KEY MESSAGE

Big days deserve good company. Meet at Ruth’s after the meet.

MESSAGE RULES

- **Visual**
  An athlete invitation transitions from the meet to a table with friends.
- **Voice**
  Warm, authentic, and clear about the offer.
- **Action**
  Visit Ruth’s or claim the approved meet-week offer.

ATHLETE AMBASSADOR

Sage Curtis brings the campus connection

Sage is listed on the 2027 roster and is from Riverton, Utah, making her a proposed fit for a local student-facing message.

SAGE CURTIS

PROPOSED ROLE: CAMPUS INVITATION

WHAT SAGE WOULD DO

- **Story host**
  Record one short “meet me after the meet” invitation.
- **Campus connector**
  Share a Utah Gymnastics collaboration post and meet-week Story.
- **Fan moment**
  If approved, join a brief QR or photo moment at one home meet.

Role is proposed only. Participation, NIL payment, content, and image use depend on Sage’s consent and University approval.

Two feed posts and two Story sequences

Keep the deliverables small and practical for a $1,500 pilot.

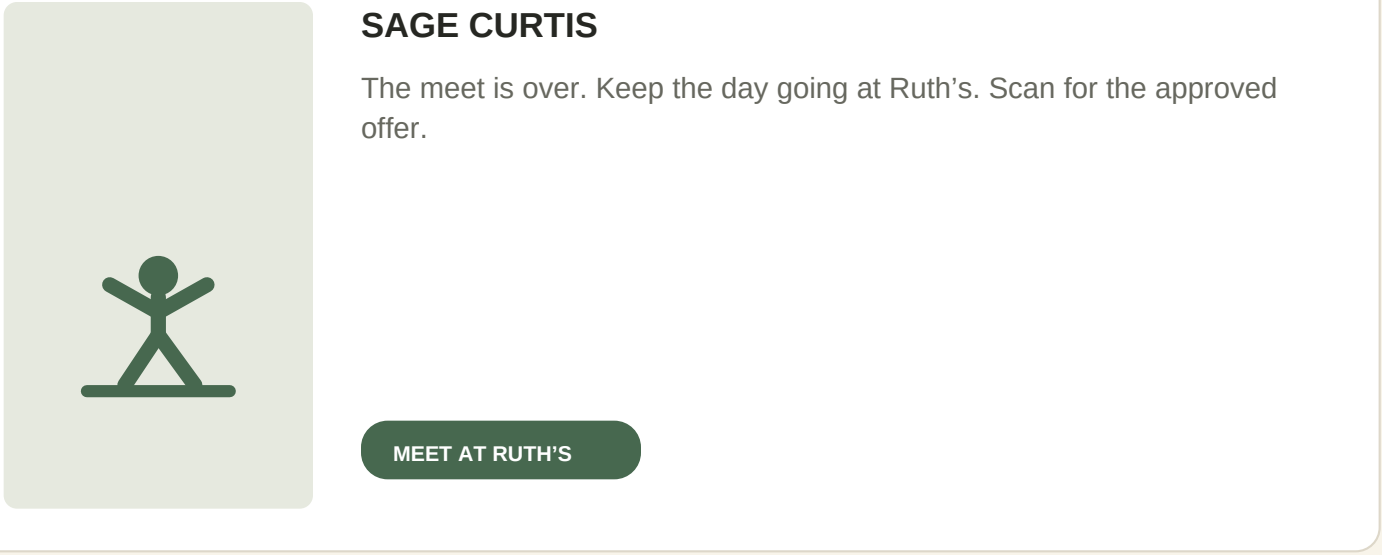
1 SAGE VIDEO	One short Reel featuring Sage’s invitation; publish on her approved channel and cross-post with Utah Gymnastics.
1 TEAM COLLAB POST	One Utah Gymnastics feed post using Sage’s approved image and Ruth’s offer.
2 STORY SEQUENCES	One reminder before the selected meet and one recap or offer reminder after.
TRACKING	One unique QR or code links posts to offer views, inquiries, or redemptions.

Count original posts once; cross-posting does not add another original creative.

Use athlete images through approved campus channels

The campus activity gives the diner visibility without buying OOH placements.

UTAH GYMNASTICS • CAMPUS SOCIAL MOCKUP



Mockup uses illustrative artwork. Insert Sage’s approved photo after consent and licensing.

CAMPUS TACTICS

- **Team digital post**
  One Utah Gymnastics collaboration featuring Sage’s approved image.
- **Athlete channel**
  Sage shares the invitation and tags the campus/meet location.
- **Meet-day QR moment**
  Small approved table or digital QR card at one home meet; no outdoor ad buy.

LOW-COST ACTIVATION

One meet-week offer, with meal costs capped at $150

Keep the offer easy to explain and manageable for Ruth’s service team.

SAMPLE ACTIVATION

Sage invites Red Rocks fans to keep the celebration going at Ruth’s after one selected home meet.

One offer or small giveaway, approved by Ruth’s.

OPERATING GUARDRAILS

- **Meal cap**
  All athlete meal or offer subsidy totals no more than $150.
- **Capacity**
  Use reservation or redemption limits set by Ruth’s.
- **Measurement**
  Track visits with one offer code or QR destination.

TIMELINE

A four-week pilot around one 2027 home meet

Choose a home date that fits Sage’s schedule and Ruth’s capacity.

W1

Confirm

Offer, rights, and approvals

W2

Create

Video, post, QR link

W3

Promote

Team/athlete posts and campus reminder

W4

Activate

Meet-week offer and visit tracking

Athlete availability, offer terms, restaurant capacity, campus access, and University approvals must be confirmed before launch.

INVESTMENT

A $1,500 maximum, with the meal cap protected

Proposed allocation keeps one athlete payment and campus-led promotion in scope.

RUTH'S DINER PILOT BUDGET

Sage compensation + image-use rights	**$600**
Video capture and editing	**$300**
Campus digital creative + QR setup	**$200**
Local social boost	**$100**
Meal / offer subsidy (maximum)	**$150**
Tracking + contingency	**$150**
TOTAL MAXIMUM	**$1,500**

A focused local pilot Ruth’s can evaluate quickly

Track attention and visits, then decide whether to repeat around another meet.

WHAT RUTH’S CAN MEASURE

Awareness	Reach, views, shares
Intent	QR scans, offer page visits
Visits	Offer redemptions or tagged checks
Efficiency	Cost per tracked visit

PARTNER DECISIONS

- **Ruth’s**
  Approve offer, capacity, menu details, and the $150 meal cap.
- **Utah Athletics + Sage**
  Confirm participation, rights, and approved channels.
- **Planning note**
  No OOH spend. Targets and outcomes remain subject to baseline and execution.
