PARTNERSHIP CAMPAIGN PROPOSAL

PRECISION IN MOTION

Ford Mustang x Utah Red Rocks Gymnastics

A high-visibility Utah campaign connecting Red Rocks discipline and confidence with Mustang performance.

PROPOSED CAMPAIGN BUDGET

$50,000

A campaign concept for partner review

PROPOSED 2027 ACTIVATION | DATES SUBJECT TO PARTNER APPROVAL

THE OPPORTUNITY

A performance partnership with Utah reach

A 10-week pilot with clear campus, social, dealer, and OOH activity.

THE PITCH

Use athlete stories to make Mustang performance tangible, then move fans from a social impression to a dealer experience.

Campaign objective: grow local consideration and create trackable model-page visits and test-drive requests around one selected home meet.

10 WEEKS

3 ATHLETES

4 OOH PLACEMENTS

- **Proposed awareness goal**

  Increase aided awareness among exposed local fans. Set the final target after a baseline check.

- **Consideration goal**

  Drive qualified visits to the Mustang or local dealer page.

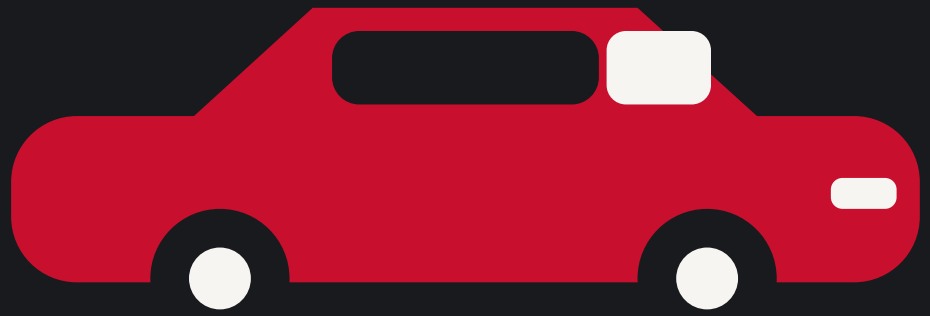
- **Action goal**

  Track test-drive requests and dealer event attendance.

PRODUCT OVERVIEW

A recognizable performance car with a local dealer path

Feature the model and trim selected by the participating Ford dealer.



2026 FORD MUSTANG

EcoBoost Fastback lists 315 hp; Mustang GT models list 480 hp.

Final model, trim, price, and availability confirmed by Ford.

CAMPAIGN PRODUCT ROLE

- **Showcase**

  Use a parked vehicle or controlled setting for all athlete content.

- **Consideration**

  Link every execution to model details, local inventory, or test-drive booking.

- **Safety**

  No speed claims, stunts, or unsafe driving scenes.

AUDIENCE

Focus on Utah fans and local Mustang shoppers

The pilot uses Red Rocks' established local fan community as its first audience.

CORE

Utah adults 18–34

Students, young professionals, and local sports fans interested in performance and car culture.

SECONDARY

Red Rocks community

Families, alumni, season-ticket holders, and supporters who can share or attend.

ACTION AUDIENCE

Dealer catchment

People near Salt Lake area Ford locations who can visit or book a drive.

Audience definitions and paid-media targeting are proposed for partner review.

Precision in Motion

The campaign pairs controlled gymnastics movement with the Mustang’s performance design.

BIG IDEA

PRECISION
IN MOTION.

KEY MESSAGE

Own your moment. Explore the Mustang built for the way you move.

MESSAGE RULES

- **Visual**
  Clean lines, deliberate movement, confident athlete voice.
- **Tone**
  Athletes speak from personal experience. Product claims stay Ford-approved.
- **Action**
  Explore the selected model or book a test drive.

ATHLETE CASTING

Three named athletes, three proposed campaign roles

Selections reflect the current 2027 roster and publicly available athletic or hometown details.

AVERY NEFF

HERO STORYTELLER

Utah’s 2026 NCAA all-around and floor finalist; lead voice for the hero film.

CAMIE WINGER

PRECISION FEATURE

Orem native and 2026 Big 12 beam champion; feature controlled movement and Utah ties.

SAGE CURTIS

CAMPUS CONNECTOR

Riverton native; lead student-facing and meet-day campus content.

Proposed roles only. Participation, athlete fees, content, and image-use terms require individual consent and University approval.

Ten feed posts plus four Story sequences

Count original posts once; cross-posting the same creative does not increase the deliverable count.

6 ATHLETE POSTS	Two short-form posts each from Avery Neff, Camie Winger, and Sage Curtis.
2 UTAH GYMNASTICS POSTS	One campaign launch collaboration and one home-meet recap using approved athlete images.
2 FORD / DEALER POSTS	One Mustang feature and one test-drive or dealer-event invitation.
4 STORY SEQUENCES	Meet-week reminders, behind-the-scenes clips, campus activation, and recap.

Core distribution: athlete accounts, Utah Gymnastics channels, and participating Ford dealer channels, subject to approvals.

UNIVERSITY OF UTAH ACTIVATION

Put athlete images where Red Rocks fans already are

Campus promotion is a defined part of the $50,000 plan.

UTAH GYMNASTICS • CAMPUS SOCIAL MOCKUP

AVERY NEFF + CAMIE WINGER

Meet Mustang at the Huntsman Center. See the campaign and local dealer experience.

MEET MUSTANG

Mockup uses illustrative artwork. Insert approved athlete photos after consent and licensing.

CAMPUS TACTICS

- **Athletics social**

  Two official collab posts feature athlete images and link to the Ford campaign page.

- **Huntsman Center**

  One approved screen feature and an athlete-hosted fan moment at a selected home meet.

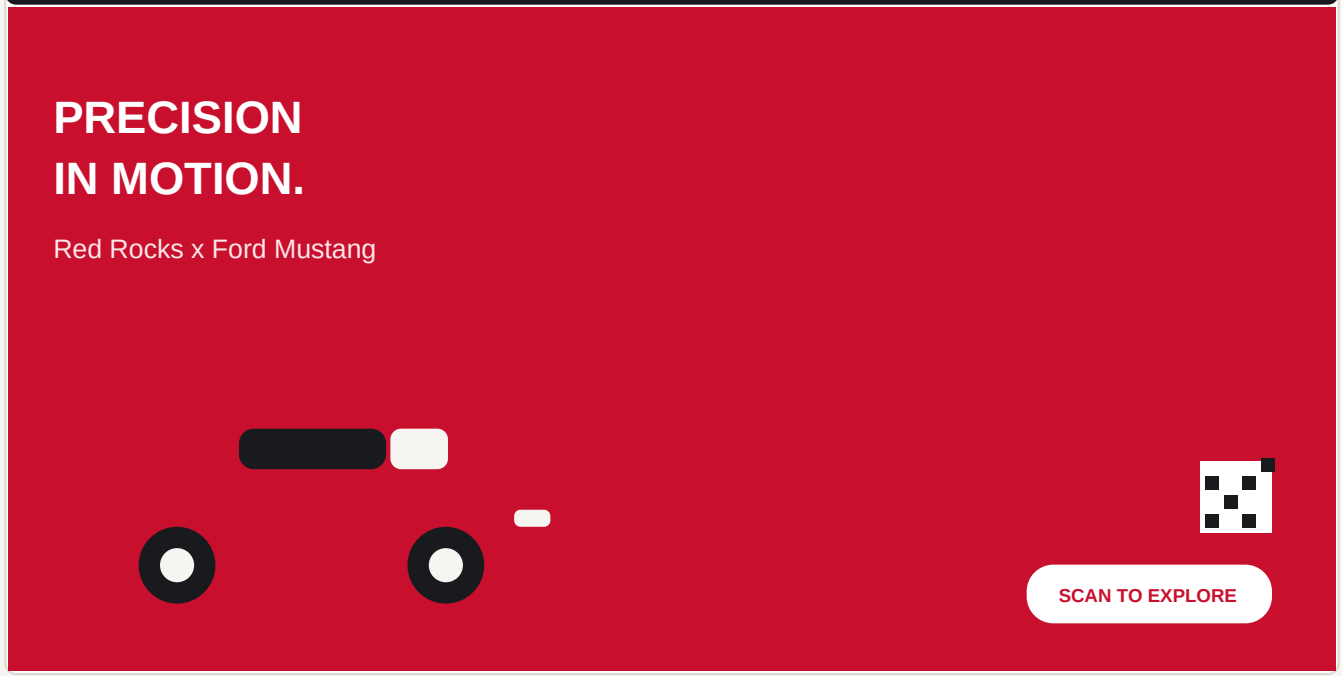
- **Student channels**

  Approved digital signage in two campus locations, counted in the four OOH placements.

Four placements, split between campus and community

Proposed two-week flight around one selected home meet; confirm inventory and price before booking.

CONCEPT OOH MOCKUP



- **2 CAMPUS**
  Huntsman Center approach and one approved student-area digital display.
- **2 COMMUNITY**
  One Salt Lake community corridor and one participating dealer-area display.
- **TRACKING**
  Unique QR destination by placement; report scans, visits, and test-drive actions.

Four distinct placements in Utah. Final sites depend on school approval, vendor inventory, and media quotes.

OOH MOCKUP

A quick read with a measurable next step

Concept uses a large headline, athlete image, Mustang, and campaign QR.

CONCEPT OOH MOCKUP

CREATIVE NOTES

- **Headline**
  Precision in Motion.
- **Athlete image**
  Use one approved campaign portrait or action frame.
- **Call to action**
  Scan to explore Mustang or book a local test drive.

Illustrative mockup, not a final Ford or University advertisement.

TIMELINE

Ten weeks around a selected 2027 home meet

Possible anchors include the Jan. 29 Boise State or Feb. 5 Denver home meets.

W1–2

Confirm

Athletes, dealer, approvals, trim, baseline

W3–4

Produce

Hero film, athlete edits, OOH, landing page

W5

Campus

Launch social and campus creative

W6–8

Run

Paid social, 4 placements, dealer event

W9

Activate

Home-meet screen and fan experience

W10

Report

Results and renewal decision

All dates, athlete availability, vehicle access, campus channels, and OOH inventory require confirmation. School and NIL approvals precede production.

INVESTMENT AND BRAND VALUE

A $50,000 pilot with measurable consideration

Budget is a planning estimate; media and NIL rates require partner quotes.

BUDGET ALLOCATION

Athlete fees + usage	**$20,000**
Content production	**$9,000**
Paid social	**$7,000**
4 OOH placements	**$7,000**
Campus activation	**$4,000**
Measurement + contingency	**$3,000**
TOTAL	**$50,000**

WHAT FORD CAN MEASURE

Awareness	Reach, video completion, shares
Consideration	QR sessions, model-page visits
Action	Test-drive requests, dealer event attendance
Efficiency	Cost per qualified action by channel

Proposed targets should be set after the dealer capacity and local baseline are confirmed.

Approve the pilot scope, then confirm athlete and media terms

Ford, the dealer, and Utah Athletics can finalize roles and placements together.

THE ASK

Select the featured Mustang, participating dealer, four OOH sites, and one home-meet activation.

Then approve athlete agreements, usage rights, and the campaign budget.

SOURCES AND PLANNING NOTES

2027 Utah Gymnastics roster and schedule: utahutes.com. Athlete details: Avery Neff NCAA results; Camie Winger 2026 Big 12 beam title and Orem hometown; Sage Curtis Riverton hometown. Ford 2026 Mustang specifications: ford.com/cars/mustang/specs/.

Names and proposed roles are recommendations, not confirmed endorsements. Athlete consent, NIL terms, trademark use, school approval, dealer terms, campaign targets, and placement quotes must be confirmed.
